Final Bulletin

Joint CTEQ Meeting and POETIC 7 (7th International Conference on Physics Opportunities at an ElecTron-Ion-Collider)

November 14-18, 2016

Temple University
Philadelphia, USA

We would like to draw your attention to a few practical details concerning your upcoming arrival at Temple University next week.

WWW page:

All other relevant information for the meeting can be found on the conference home page:

Venue:

The conference will take place on the Main Campus of Temple University in Philadelphia. The meeting will take place in the Howard Gittis Student Center on Monday-Wednesday, in the Kiva Auditorium on Thursday and in room 408 of the Science Education and Research Center on Friday. A map is available from here showing the venue locations at Temple University.

Travel information:

Please consult this link for information concerning parking and arrival information by subway. Signs will direct you on each day to the venue locations.
Registration desk:

Early check-in is on Sunday, November 13, 2016 from 06:00PM - 08:00PM in the lobby of the DoubleTree Hotel. During the meeting, the registration desk is open from 08:00AM until the beginning of the morning sessions and during coffee breaks.

Agenda / Speaker instructions:

The final agenda is available from the conference WWW-page or directly from here:

https://indico.bnl.gov/conferenceOtherViews.py?view=standard&confId=2095

All speakers should upload their talks at least one hour prior to each session. Please review the instruction on the conference WWW-page:
